PURPOSE OF THE SURVEY

By collecting information about members in the community, The Beaufort County United Way intends to learn about the needs of those living in Beaufort County. After accessing the results of the survey Beaufort County United Way will be able to begin addressing the community's top needs.

QUESTIONS ASKED

The survey begins by asking questions about the individuals demographics, including: gender, race, age, and education level. The remaining sections ask questions about the individuals health and health concerns, income and self sufficiency concerns, and education concerns.

Community Survey Results

as of 8/30/2023
